

DIPLOMA IN **PHYSIOTHERAPY**

KPT (R2/726/4/0001) MQA (FA0039)

Physiotherapy focuses on the care and rehabilitation of a patient's physical function, aiming to help patients recover and function optimally. This programme prepares students to become physiotherapists, who use various techniques such as exercise, electric light, cold water treatment, massage, and electrotherapy for rehabilitation. Physiotherapists also plan treatment programmes, help doctors determine diagnoses, monitor patient progress, assess treatment suitability, and make equipment supply orders. This programme also provides students with knowledge and skills related to healthcare assessment, handling, and rehabilitation of physical functions and movement of the human body.

DURATION OF STUDY

3 Years (36 months)

MODE OF STUDY

Full Time

ACADEMIC PATHWAY

Progress to undergraduate degree in various fields related to Physiotherapy or seek a career as a:

- Physical Therapist
- Physiotherapist
- Respiratory Therapist
- Sports Physiotherapist
- Kinesiologist
- Geriatric Physiotherapist
- Paediatric Physiotherapist
- Lymphatic

ENTRY REQUIREMENTS

1. SPM or equivalent with PASS in Bahasa Malaysia and English and 5 credits in the following subjects:
 - Mathematics;
 - ONE science subject (Biology/Physics/Chemistry/General Science/ Applied Science); and
 - Any other THREE subjects (including Bahasa Malaysia and/or English).

OR

2. GCE/O Level or equivalent with PASS in Bahasa Malaysia or English and 5 Grade C in the following subjects:
 - Mathematics;
 - ONE science subject (Biology/Physics/Chemistry/General Science/ Applied Science); and
 - Any other THREE subjects (including Bahasa Malaysia and/or English).

OR

3. Certificate related to Health Sciences with minimum CGPA 2.75

Year 1

- Anatomy I
- Physiology I
- Introduction to Healthcare
- Behavioral Science
- Professional Development & Practice
- Physics
- Anatomy II
- Physiology II
- Kinesiology I
- Movement Therapy I
- Electrotherapy Agent I
- Penghayatan Etika & Peradaban
- Communicative English
- Etika & Amalan Moral
- Pathology

Year 2

- Movement Therapy II
- Electrotherapy Agents II
- Physiotherapy in Neurology I
- Kinesiology II
- Keterlibatan Komuniti
- Physiotherapy in Cardiorespiratory I
- Physiotherapy in Musculoskeletal II
- Physiotherapy in Neurology II
- Physiotherapy in Sports & Occupational Health
- Physiotherapy in Cardiorespiratory II
- Physiotherapy in Women's Health
- Physiotherapy in Pediatrics
- Physiotherapy in Geriatric

Year 3

- Clinical Placement 1 (Neurology)
- Clinical Placement 2 (Cardiorespiratory)
- Clinical Placement 3 (Musculoskeletal)
- Clinical Placement 4 (Sports, Occupational Health & Geriatrics)
- Clinical Placement 5 (Women's Health & Pediatrics Advanced)
